3ds Max Tutorial Series: Introduction

We recommend using the 3ds Max 2016 tutorial files for anything 2016+, and we don't expect any compatibility issues when opening those files with 2017, 2018, 2019. Before the internet turns against me for confirming that we haven't updated our tutorial files for a few years, our position is that these files still make up an excellent starting point for new users getting started in 3ds Max.
