A performance management system that is badly designed or which is applied in an insensitive manner may end up doing more harm than good. There are many ways in which poorly designed systems can result in wrong signals and dysfunctional behaviour.

## **Performance management**

Residual Income (RI) Residual income is a measure used as part of divisional performance management for investment centres. Evaluation of RI as a performance measure . Compared to using return on investment (ROI) as a measure of performance, RI has several advantages and disadvantages:. Advantages . It encourages investment centre managers to make new investments if they add to RI.
