There are four steps in the process of mastering the context: (1) becoming self-expressive; (2) listening to the inner voice; (3) learning from the right mentors; and (4) giving oneself over to a guiding vision. Some people challenge and conquer their context, and even change it in fundamental ways.

2010 On Becoming A Leader Leaders Book Summaries

The leadership book I read for this class was *On Becoming a Leader* by Warren Bennis. A friend recommended it to me, and my honest first impression of the book was that it was going to be another clichéd, dry 12-step program on how to “be a better leader.” But as I read it, I was more and more pleasantly surprised at the things I was learning.
